The logo for the Pacific Action Agenda (APW) features the letters 'APW' in a bold, white, sans-serif font. The letters are centered within a horizontal rectangular box that has a white border and a light green fill. The background of the entire page is a dark green aerial photograph of a coastal area with numerous wooden pilings extending into the water, likely for aquaculture. A diagonal band of colorful stripes (green, yellow, purple, grey) runs across the top right corner of the page.
